About The Credit Valley Hospital

The Credit Valley Hospital is a professional, caring, health care organization that promotes life, health and innovation. Credit Valley is known for its innovative, can-do approach to providing quality patient care to the people of Mississauga and the surrounding region (approximately one million people).

Credit Valley is a regional leader in specialized programs for clinical genetics, renal, maternal-child care and oncology, as well as core clinical programs in general medicine, surgery, emergency, mental health, complex continuing care, rehabilitation, obstetrics and gynaecology, paediatrics and cardiac services. The Mississauga Academy of Medicine (opening August 2011) will be a partnership between the Faculty of Medicine at the University of Toronto, University of Toronto Mississauga, The Credit Valley Hospital and Trillium Health Centre.

Credit Valley supports the work of more than 4,700 staff, physicians, nurses and volunteers who handle over 700,000 patient visits to our location each year.

Credit Valley currently covers over 1 million square feet and is a 382-bed acute care inpatient facility, featuring a regional cancer and ambulatory care centre, a 24-hour emergency care centre, and a regional women's and children's health centre featuring an advanced level 2 neonatal intensive care unit and the largest paediatric oncology satellite program in Ontario outside of the Hospital for Sick Children.

The Credit Valley Hospital has consistently met Accreditation Canada's national safety and patient care standards. Credit Valley is also a provincial leader in reducing ER wait times.
