Trillium Health Centre Foundation's annual Diwali Fundraiser will take place Oct. 2.

The event, to be held at Pearson Convention Centre in Brampton, will raise money to support programs for the health and wellness of seniors in the community.

Some \$2.3 million raised at past Diwali fundraisers helped fund expansion of the OM Fracture Clinic at THC, so named to recognize the support of the South Asian community.

The Diwali Fundraiser was started in 2002 by Dr. Vir Sennik in partnership with the THC Foundation. In its first year, there were 600 dinner guests, who contributed \$77,000.
